Date conferred

I have previously deposited a printed copy of my thesis/dissertation (the Work) in the University of Southampton Library and wish to allow electronic access of the full Work in one of the following categories: *(Please tick one of the following boxes)*

Unrestricted access (i.e. available in digital form to anyone throughout the world)

Restricted access (i.e. available in digital form only to users at the University of Southampton)

Research referred to above as "Work", is covered by this agreement and when I deposit my Work, whether personally or through an assistant or other agent, I hereby agree to the following:

NON-EXCLUSIVE RIGHTS

I grant the University of Southampton a non-exclusive, royalty free licence to produce a digital facsimile of my Work with searchable text which can then be held on its electronic thesis repository making it available for full unrestricted world access unless otherwise selected above. I retain all rights in the Work in its present version or future versions. I agree that the repository administrators or their agents may, without changing content, migrate the Work to any medium or format for the purpose of future preservation and accessibility.

DEPOSIT IN THE UNIVERSITY OF SOUTHAMPTON ELECTRONIC THESIS REPOSITORY

I understand that work deposited in this repository will be made accessible via the internet or on CD or other portable electronic device to individuals and institutions on an unrestricted worldwide basis unless otherwise selected above. I acknowledge that, through the medium of the Internet, files will also be available to automated agents, and may be searched by text mining and plagiarism detection software.

THE UNIVERSITY OF SOUTHAMPTON:

1. Reserves the right not to digitise my Work should it deem that the thesis contains third party copyright materials which should not be electronically distributed.
2. Reserves the right, for any reason, not to make my Work electronically available at any stage, including removing it after previously making it available.
3. Declares that it will digitise and provide the deposited thesis in its entirety. If there are supplementary materials attached to the thesis, these will be made available if they can be digitised.
4. Will not make any changes to the Work but it may include a footer identifying the digitised copy as originating from the University of Southampton and a watermarking with the following, or similar wording:

"Copyright belongs to Author unless otherwise identified in the body of the thesis. All rights in the same are strictly reserved. Use permitted on an individual basis and only for non-commercial research. It is not permitted to make further copies, supply the whole or part of this thesis to any other person, post the same on any website or to print more than one copy without the prior written consent of the Author and the University of Southampton."

5. Reserves the right to provide a copy of the electronic Thesis to readers on a CD or other portable electronic device in a protected format.
6. Declares that it will not request a payment from you for the digitisation of the Work or for its digital preservation or digital access.
7. Will not commercially exploit the Work but the University may make a reasonable charge to requestors for the electronic supply of theses to cover the costs of digitisation and supply.

I DECLARE AS FOLLOWS:

- a. That I am the author and copyright holder of the Work and thereby authorised to grant the licence as set out in this consent form.
- b. That I have exercised reasonable care to ensure that the Work is original, and does not to the best of my knowledge include any third party's copyright or confidential information, break any UK law, or infringe any other third party Intellectual Property Right.
- c. That I have truthfully disclosed whether my research was sponsored by an Industrial/Commercial organisation.

- d. Where my Work includes any substantial material owned by a third party I confirm I have sought and gained permission for its inclusion in my Work on the understanding that my Work would be published and disseminated.
- e. I understand that the University of Southampton and its administrators of the repository do not hold any obligation to take legal action on behalf of myself, or other rights holders, in the event of breach of intellectual property rights, or any other right, in the material deposited.
- f. I understand that the University of Southampton has no obligation to keep my Work available or to store the same on the electronic repository and may remove it from access at any time.
