This document is a guide to help you through the process of applying for accommodation at the University of Southampton. Before you start, please make sure you have:

- A working email address
- Your 8-digit student ID number, which should be included on your communications from the University. If you don’t have this, you can contact your faculty of study or the Student Services Centre on ssc@soton.ac.uk or +44(0)2380 599599.
- An idea of what type of accommodation you would like to apply for.

You can now register on the website and submit an application, using the following steps:

**Registering and Logging In**

Go to https://accommodationservices.soton.ac.uk/portal and click “Register” in the top right hand corner. You will then be prompted to enter the following details:

**Student ID:** This is your 8-digit, which should be included on your communications from the University. If you don’t have this, you can contact your faculty of study or the Student Services Centre on ssc@soton.ac.uk or +44(0)2380 599599.

**First name and surname/family name:** Please ensure that these details match those on your University offer to study letter. If there are any discrepancies, you will not be able to register.

**Date of Birth:** Entered in DD/MM/YYYY format

You will need to type your email address and password twice. Your password must contain a minimum of six letters and one number.
Once you have completed these steps, a six digit validation code will be sent to the email address you used to register. Access your email account to collect the code, and use this to log in to the site. You will only need this code the first time you log in.

**PLEASE NOTE:** The email containing the validation code can sometimes be filtered into the spam or junk folders of some accounts. If you cannot find the email in your inbox, please check the spam/junk folders as well.

After logging in, you will be taken to the home screen. From here, you can make a new application for accommodation, check the progress of any existing applications, and accept any offers made to you.

By selecting “Account” in the top right hand corner, you can also keep your personal details up to date. This includes your email address which you use to log in. If at any point you wish to change your registered email address, you can do so from the “maintain account” tab on the drop-down menu.
Submitting an Application

Before submitting an application for accommodation, you should take a look at the different types of accommodation available and decide what you would like to apply for. There are several different room types situated across a range of halls sites, and when you apply you will be asked to choose between three and five preferences.

You can find out more about our halls on the accommodation site.

**Different types of rooms include:**

- Part catered/ self-catered: Whether you would like to cook for yourself or have some meals provided
- Room type: These range from non-ensuite or ensuite single rooms to self-contained flats
- Contract duration: Whether you require a short, standard or long contract
- Halls complex: Which of our halls sites you would like to apply for

When your application is considered, every effort is made to allocate you according to your preferences. The allocations are dependent on room availability, so we cannot guarantee that you will receive your top preferences- this is why we will ask for up to five choices.

You can submit a new application by selecting the “apply” button on the home page, or “new application” in the top right hand corner.

You will then need to select a few options which will determine what type of application you are making:
**Academic Session:** This is the academic year that you are applying for, for example 2017-18 or 2018-19.

**Application Type:**

*New students* are students who are going into the first year of their course.

*Returning students* are students who are either repeating a year, or going into their second or third year of study.

*Visiting/exchange students* include Erasmus students, or students who only require accommodation for one semester.

*Families and couples* can apply for one or two bedroom flats.

**Course Type:** This determines what type of course you are studying, for example undergraduate or postgraduate.

**Pathway:** This is when you select where you would like to live, based on where you will study. There are options available for undergraduate students who would like to be allocated in a postgraduate area, for example mature students. This option is provided as lifestyle choices can be different.
The system will then show you the accommodation available based on the information provided. This will include available contract lengths as well as different room types and prices, divided by halls site. You can filter the results by contract length, room type, catering and pricing using the menu on the left of the screen.

After you have selected your first option, you will be taken to a summary screen and prompted to “add another”. Remember that you should choose a minimum of three preferences.

Once you have finished, your summary screen will look something like this:

Your preferences are listed from top to bottom- so your first choice should be at the top of the list. You can use the summary screen to review your preferences, and move them up and down.
When you are satisfied with your preferences, select “next”. The following screen will ask you to state any special circumstances, including:

**Mixed or single gender accommodation:** If you require single gender accommodation, this will be prioritised over other preferences you have expressed such as room type.

**Disability or health condition:** Please indicate whether you have a condition which will affect your allocation.

**Quieter lifestyle:** If you tick this box we will try to place you with other students who have said they consider themselves to have a quieter lifestyle. However, we cannot guarantee that the accommodation will be quiet at all times as communal living will always involve some noise.

**Show flats:** These are rooms which will be used to give prospective students an opportunity to see student accommodation. Residents in show flats will receive a small payment for any visits that take place. You can find out more information on our [website](#).

There is also a “notes” section on this page, where you can write anything else you would like to be taken into account as part of your application. If you have indicated that you have a disability or health condition, please provide further information in this box. You should also contact the [Enabling Service](#), as we will liaise directly with this team regarding room allocations.
Returning students are able to make group applications. Once you have completed all of the fields on this section, click next to go to the Group Application.
