### Last modified

- May 2018

The regulations in Section 4, *General Information and Regulations*, located on the University Calendar are applicable for the listed programmes.

On occasion, programmes can be exempted from one or more of the clauses in these Regulations, or one or more of the clauses can be varied.

- **Exemptions** are characterised by the omission of the relevant clause.
- **Variations** are characterised by the replacement of the clause with alternative wording.

The programmes listed have approval from the Academic Quality and Standards Committee for the exemptions and/or variations to the regulations noted below.

Additional requirements are also listed.

### Exemptions

The clause(s) listed below describe where an exemption to the General Regulations exists.

- MChem with 6 months placement;
- MChem with Medicinal Sciences;
- MChem Chemistry with 1 year placement in Part 3: Part 2
- MChem Chemistry with 1 year placement in Part 4: Part 3

are exempt from Clause 3.5 of Section 3 of the *Progression, Determination and Classification of Results for Undergraduate and Integrated Masters Programmes*.

- MChemistry with a placement in Part 4.

is exempt from Clause 4.4 of Section 4 and 5.1, 5.3 and 5.4 of Section 5 of the *Progression, Determination and Classification of Results for Undergraduate and Integrated Masters Programmes*. 

Variations

The clause(s) listed below describe where a variation to the General Regulations exists.

Additional Requirements

None

These regulations should be read in conjunction with the programme specification.

Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student’s period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our Disclaimer to see why, when and how changes may be made to a student’s programme.
