| Last modified | May 2018 |

The regulations in Section 4, General Information and Regulations, located on the University Calendar are applicable for the listed programmes.

On occasion, programmes can be exempted from one or more of the clauses in these Regulations, or one or more of the clauses can be varied.

- Exemptions are characterised by the omission of the relevant clause.
- Variations are characterised by the replacement of the clause with alternative wording.

The programmes listed have approval from the Academic Quality and Standards Committee for the exemptions and/or variations to the regulations noted below.

Additional requirements are also listed.

Exemptions
None

Variations
The clause(s) listed below describe where a variation to the General Regulations exists.

<td>2.2. <a href="http://www.calendar.soton.ac.uk/sectionIV/progressionregs">http://www.calendar.soton.ac.uk/sectionIV/progressionregs</a></td>
<td>In order to progress to the next Part of the programme, Integrated Masters (MEnvSci) students are required to obtain an overall aggregate ark of 55% in Part II and 55% in Part III.</td>
</tr>
</tbody>
</table>

Additional Requirements
None

These regulations should be read in conjunction with the programme specification.

Disclaimer:
As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a
student’s period of registration, however, any revision will be balanced against the requirement that
the student should receive the educational service expected. Please read our Disclaimer to see why,
when and how changes may be made to a student's programme.
