The Academic Regulations which are detailed in Section V: [Regulations for Research Degrees and Higher Doctorates](#), and Section IV: [General Information and Regulations](#) of the University Calendar, apply to and regulate the programme(s) listed above.

On occasion, programmes can be exempted from one or more of the clauses in the Regulations; one or more of the clauses can be varied; and programmes can impose additional requirements.

- Exemptions are characterised by the omission of the relevant clause.
- Variations are characterised by the replacement of the clause with alternative wording.
- Additions are characterised by requirements in addition to those detailed in the Academic regulations.

The programmes listed have approval from the Academic Quality and Standards Committee for the exemptions and/or variations and/or additions to the regulations noted below.

**Exemptions:**
The clause(s) listed below describe where an exemption to the Regulations exists:

*None apply*

**Variations:**
The clause(s) listed below describe where a variation to the Regulations exists:

*None apply*

**Additional requirements:**
The clause(s) listed below are in addition to the Academic Regulations:

1. *Students enrolled on the iPhD Web Science programme are required to obtain a Merit in their taught component in order to continue in the research phase of that programme. Students who pass their taught component but do not achieve Merit will be offered a viva, which they will be required to pass if they wish to continue to the research component.*

**These regulations should be read in conjunction with the programme specification.**

**Disclaimer:**
As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student’s period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student’s programme.
