<b>Programme(s)</b>	Doctorate in Clinical Practice ( <i>final intake 2017/18</i> )
<b>Last modified</b>	May 2018

The Academic Regulations which are detailed in Section V: [Regulations for Research Degrees and Higher Doctorates](#), and Section IV: [General Information and Regulations of the University Calendar](#), apply to and regulate the programme(s) listed above.

On occasion, programmes can be exempted from one or more of the clauses in the Regulations; one or more of the clauses can be varied; and programmes can impose additional requirements.

- Exemptions are characterised by the omission of the relevant clause.
- Variations are characterised by the replacement of the clause with alternative wording.
- Additions are characterised by requirements in addition to those detailed in the Academic regulations.

The programmes listed have approval from the Academic Quality and Standards Committee for the **exemptions and/or variations and/or additions** to the regulations noted below.

#### Exemptions

None

#### Variations

The clause(s) listed below describe where a variation to the Regulations exists:

- The taught component is assessed under the University regulations for [Postgraduate Master's Programmes](#) with additional requirements below.

#### Additional requirements

The clauses listed below are in addition to the Academic Regulations:

- In order to qualify for the awards listed students are required to obtain of 50% or above in each taught component with the exclusion of HLTH 8011 where students are required to obtain a pass outcome, in line with the regulations relating to the first progression review.
- All taught components must be successfully completed prior to submission of the thesis
- This programme is subject to DBS requirements, see clause 4 of the [Procedures for Handling Applications for Students with Previous Criminal Convictions](#).
- Continuation on your programme is subject to specific health requirements (consistent with the provisions of the Equality Act [2010]). Students are required to inform the Faculty of any health problems, throughout their period of enrolment, relevant to their future employment as a professional.

**These regulations should be read in conjunction with the programme specification.**

#### Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
