Academic Regulations: Faculty of Engineering and Physical Sciences

School	Engineering
Award	Master of Research (MRes) Master of Science (MSc) <i>With exit awards of:</i> Postgraduate Certificate Postgraduate Diploma Postgraduate Diploma Audiology (with Clinical Placement)
Programme(s)	MRes Engineering and the Environment MSc Biomedical Engineering MSc Civil Engineering MSc Civil Engineering (with Industrial Placement) MSc Coastal and Marine Engineering and Management MSc Engineering in the Coastal Environment* MSc Transportation Planning and Engineering* MSc Energy and Sustainability : Energy Resources and Climate Change MSc Energy and Sustainability : Energy, Environment and Buildings MSc Sustainable Energy Technologies MSc Water Resources Management* MSc Biomedical Engineering/Advanced Mechanical Engineering Science MSc Computational Engineering Design/Advanced Mechanical Engineering Science MSc Engineering Materials/Advanced Mechanical Engineering Science MSc Mechatronics/Advanced Mechanical Engineering Science MSc Propulsion and Engine Systems Engineering/Advanced Mechanical Engineering Science MSc Surface Engineering and Coatings/Advanced Mechanical Engineering Science MSc Aerodynamics & Computation MSc Race Car Aerodynamics MSc Unmanned Aircraft Systems Design MSc Space Systems Engineering MSc Maritime Engineering Science (including Advanced Materials, Marine Engineering, Maritime Computational Fluid Dynamics, Naval Architecture, Offshore Engineering, Yacht and Small Craft) MSc Marine Technology MSc Acoustical Engineering MSc Signal Processing MSc Structural Vibration MSc Audiology MSc Audiology (with Clinical Placement) <i>* to include part-time</i>
Last modified	July 2018

The regulations in Section 4, [General Information and Regulations](#), located on the [University Calendar](#) are applicable for the listed programmes.

On occasion, programmes can be exempted from one or more of the clauses in these Regulations, or one or more of the clauses can be varied.

- Exemptions are characterised by the omission of the relevant clause.*
- Variations are characterised by the replacement of the clause with alternative wording.*

The programmes listed have approval from the Academic Quality and Standards Committee for the exemptions and/or variations to the regulations noted below.

Additional requirements are also listed.

Exemptions

None

Variations

None

Additional Requirements

The clause(s) listed below are in addition to the General Academic Regulations.

MSc Audiology and MSc Audiology with Clinical Placement are subject to DBS requirements, see clause 4.1, 4.2 of the Procedures for Handling Applications from Students with Previous Criminal Convictions and an Occupational Health check.

Continuation on your programme is subject to specific health requirements (consistent with the provisions of the Equality Act [2010]). Students are required to inform the Faculty of any health problems, throughout their period of enrolment, relevant to their future employment as a professional.

Additional requirements relating to the Award of Qualification

In order to qualify for the MSc Audiology with Clinical Placement candidates must additionally undertake a 40-week clinical placement.

In order to qualify for the Postgraduate Diploma Audiology (with Clinical Placement), students must pass all taught modules and the Placement module.

These regulations should be read in conjunction with the programme specification.

Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [*Disclaimer*](#) to see why, when and how changes may be made to a student's programme.
