

## University Calendar: 2018/19

### Academic Regulations: Faculty of Medicine

<b>School</b>	Medicine
<b>Award</b>	Master of Research (MRes) <i>With intermediate exit awards of:</i> Postgraduate Certificate Postgraduate Diploma
<b>Programme(s)</b>	Stem Cells, Development and Regenerative Medicine
<b>Last modified</b>	April 2018

*The regulations in Section 4, [General Information and Regulations](#), located on the [University Calendar](#) are applicable for the listed programmes.*

*On occasion, programmes can be exempted from one or more of the clauses in these Regulations, or one or more of the clauses can be varied.*

- Exemptions are characterised by the omission of the relevant clause.*
- Variations are characterised by the replacement of the clause with alternative wording.*

*The programmes listed have approval from the Academic Quality and Standards Committee for the **exemptions** and/or **variations** to the regulations noted below.*

*Additional requirements are also listed.*

#### All BM Programmes (unless otherwise stated)

##### Exemptions

The clause(s) listed below describe where an exemption to the General Regulations exists.

- MRes Stem Cells, Development and Regenerative Medicine is exempt from clause 5.3 under section 5. Repeat of the Progression, Determination and Classification of Results : Standalone Masters Programmes.
- Students do not have the right to repeat externally and must repeat internally.

##### Variations

The clause(s) listed below describe where a variation to the General Regulations exists.

<b>Existing University regulation</b>	<b>Approved Variation</b>
<i>Progression, Determination and Classification of Results: Standalone Masters Programmes</i>	
4.1 For students who fail to progress under paragraphs 3.1 to 3.3 on a programme where all Modules in a Part have been designated Core in order to meet the stipulations of Professional, Statutory and Regulatory Bodies, Referral is allowed in Failed modules in that Part totalling at most 30 ECTS (60 CATS) if permitted by the programme regulations.	A student who fails to progress under paragraphs 3.1 to 3.3 will take referral assessments in all failed modules.

**Additional Requirements**

None

**These regulations should be read in conjunction with the programme specification.**

**Disclaimer:**

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our *Disclaimer* to see why, when and how changes may be made to a student's programme.
