The regulations in Section 4, [General Information and Regulations](#), located on the [University Calendar](#) are applicable for the listed programmes.

On occasion, programmes can be exempted from one or more of the clauses in these Regulations, or one or more of the clauses can be varied.

- Exemptions are characterised by the omission of the relevant clause.*
- Variations are characterised by the replacement of the clause with alternative wording.*

The programmes listed have approval from the Academic Quality and Standards Committee for the exemptions and/or variations to the regulations noted below.

Additional requirements are also listed.

Exemptions

None.

Variations

The clause(s) listed below describe where a variation to the General Academic Regulations exists:

Existing University regulation	Approved Variation
<p>3. In order to progress to the next Part of a programme or to an award, as appropriate, all Modules and each Part must be Passed at the specified Pass Mark except as allowed in paragraph 3.3 below. Each Part must be successfully completed before the next Part is commenced.</p> <p>http://www.calendar.soton.ac.uk/sectionIV/progression-regs.html</p>	<ul style="list-style-type: none"> • Students who are referred or required to repeat after failing to meet the criteria for progression on the Level 5 taught component must inform their placement provider of any outstanding progression requirements and may only commence their placement if still approved by their placement provider. • Students will still be required to meet the progression criteria for the taught component before they can proceed to Level 6 of the programme. • Students may be referred in their placement module assessment but may not repeat their placement year.

Additional requirements

Continuation on your programme is subject to consideration of any criminal convictions. The programme is exempt from the Rehabilitation of Offenders Act [1986]. All students are required to inform the Faculty of all criminal convictions both prior to and throughout their period of enrolment. All students will be subject to an enhanced Disclosure and Barring Service (DBS) check.

Continuation on your programme is subject to specific health requirements (consistent with the provisions of the Equality Act [2010]). Students are required to inform the Faculty of any health problems, throughout their period of enrolment, relevant to their future employment as a professional.

These regulations should be read in conjunction with the programme specification.

Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
