

## University Calendar: 2018/19

### Academic Regulations: Faculty of Environmental and Life Sciences.

<b>School</b>	Health Sciences
<b>Award</b>	Certificate in Higher Education Level 6
<b>Programme(s)</b>	Low Intensity Cognitive Behavioural Therapy (CBT) with Improving Access to Psychological Therapies (IAPT) Psychological Wellbeing Practitioner (PWP) status
<b>Last modified</b>	April 2018

*The regulations in Section 4, [General Information and Regulations](#), located on the [University Calendar](#) are applicable for the listed programmes.*

*On occasion, programmes can be exempted from one or more of the clauses in these Regulations, or one or more of the clauses can be varied.*

- Exemptions are characterised by the omission of the relevant clause.*
- Variations are characterised by the replacement of the clause with alternative wording.*

*The programmes listed have approval from the Academic Quality and Standards Committee for their **exemptions** and/or **variations** to the regulations noted below.*

*Additional requirements are also listed.*

#### **Exemptions**

The clause(s) listed below describe where an exemption to the General Academic Regulations exists.

The Module 1 (Engagement and assessment of patients with common mental health problems using low intensity CBT [PWP route]) competency assessment (OSCE) and the Module 2 (Evidenced based low intensity CBT treatment for common mental health disorders [PWP route]) therapy submission are both only allowed to be taken twice by any student (excluding attempts set aside for special considerations). A second attempt fail should be considered a programme termination. This is in line with the accrediting standards as set by the British Psychological Society and is clearly identified in the accreditation handbook.

#### **Variations**

None.

#### **Additional Requirements**

None.

**These regulations should be read in conjunction with the programme specification.**

#### **Disclaimer:**

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
