

Affiliated Institutions

1. Degrees shall be awarded by Senate in accordance with Ordinances and Regulations to candidates who have satisfactorily completed an approved programme of study in an institution affiliated to the University for the purpose.
2. The institution affiliated to the University is:
The University of Chichester¹
3. The degrees available through the affiliated institution are:
Master of Philosophy, MPhil
Doctor of Philosophy, PhD

¹ In September 2014 the University of Chichester received notification from the Privy Council that its submission in respect of research degree awarding powers had been successful. Although a number of students have taken up the invitation to transfer their candidature to the University of Chichester, there are some postgraduate students who remain registered with the University of Southampton.
