

## Opting out of Membership of the Students' Union

I understand that, under the terms of the Education Act 1994, I may opt out of membership of the Students' Union of the University of Southampton for the session 2018-19. I understand that I shall continue to be able to use the Union's facilities as if I held associate membership but that I shall, for the remainder of this session, have no membership status whatsoever and that I will be unable to participate in certain Students' Union activities. I further understand that, if I am a continuing student, I shall automatically be registered as a member of the Students' Union at the beginning of the 2019-20 session when I may again choose to exercise my right to opt out of membership of the Students' Union.
