PART I

Introduction and Definitions

1. This document sets out procedures in relation to discipline and dismissal.

2. In this Procedure, unless the context indicates otherwise:

(i) in relation to any decision or action that the University is required to make or to perform under this Procedure, ‘the University’ shall mean: any member of staff who usually makes such decisions or performs such actions on behalf of the University, or who in the normal course of events may reasonably be expected to do so;

(ii) references to Heads of School shall be construed so as to include references to Heads of Professional Services or other equivalent units (and vice versa), and where there is no Head of School, Professional Service or equivalent unit, or it is not appropriate, the Vice-Chancellor or his or her nominated representative may appoint a member of staff from such School, Professional Service or equivalent unit to undertake the duties required of a Head of School or Professional Service by this Procedure;

(iii) references to University postholders (including those referred to in sub-paragraph ii above) shall be construed to refer either to the postholder or to an appropriate member of staff nominated by the postholder to act with full authority on the postholder’s behalf;

(iv) where a post is held jointly by two or more postholders, a reference to the postholder shall be construed as a reference to any or all postholders holding that post, and any action authorised or required under this Procedure may be taken by any such postholder.
PART II

Application and Scope

3. This Procedure applies to members of staff with a grade of Level 3 or below in the University’s grading structure, or an equivalent grade.

4. This Procedure shall not apply to:
   (i) the proposed dismissal of a member of staff where that dismissal would arise from the expiry without renewal of a fixed-term contract;
   (ii) any member of staff during his or her probationary period;
   (iii) the proposed dismissal by way of retirement of a member of staff;
   (iv) the proposed dismissal of a member of staff for reasons of redundancy;
   (v) the proposed dismissal of a member of staff on the grounds of medical incapacity.

Relationship with Capability Procedure

5. Capability issues will normally be dealt with separately under the Capability Procedure. However, the University reserves the right to deal with matters under whichever Procedure it deems appropriate, considering the circumstances and the information available.

Relationship with Sickness Absence Policy

6. If it emerges that a member of staff’s conduct or performance may be attributable, in whole or in part, to a medical condition, the person or panel considering the issue may:
   (i) postpone or adjourn any action or hearing under this Procedure to allow investigation of the member of staff’s medical condition, including obtaining, if appropriate, any medical reports;
   (ii) taking into account available medical evidence or advice, determine that:
       (a) no further action should be taken under this Procedure and may also, as appropriate, direct that the issue should be dealt with under an appropriate stage of the Sickness Absence Policy; or
       (b) continue with proceedings under this Procedure, taking the member of staff’s medical condition into account as appropriate.

Relationship with Electronic Communications Policy

7. Where it emerges that allegations of misconduct related to “misuse of the Internet, email or other University facilities” or “serious misuse of the Internet, email or other University facilities” the Electronic Communications Policy will be used to differentiate between less and more serious misuse.
PART III

General Principles

8. The University recognises that good conduct is essential for the efficient and orderly operation of its activities and to ensure the safety and wellbeing of members and associates. The University has a responsibility, therefore, to make clear to its members of staff what is required of them in terms of both behaviour and performance and to provide guidance and/or training where necessary.

9. The grounds for disciplinary action are set out in Part IV of this Procedure, which gives examples of conduct which the University considers inappropriate or unacceptable. Each case will be judged on its own merits and in accordance with the evidence and circumstances presented. The University therefore has absolute discretion to determine which stage of the procedure will be applied in any particular case, taking into account the matters under consideration.

Confidentiality

10. Throughout any proceedings under this Procedure, the University shall seek to ensure that confidentiality is maintained. However, this shall not preclude the University from disclosing information where necessary for the discharge of duties or as required by law, nor shall this preclude the University, where appropriate, from disclosing information about any outcome under this Procedure.

11. There may be cases where it is appropriate to preserve confidentiality in relation to the identity of witnesses, where there is reasonably perceived to be a need to protect any member of staff from the risk of intimidation or retribution. Likewise, it may be necessary to adapt these procedures where it is considered undesirable for any one person to give evidence in the presence of another.

Right to be accompanied

12. At any hearing convened under this Procedure the member of staff may be represented or accompanied by a workplace colleague or trade union representative.

13. If the member of staff's representative is not available at the time proposed for the hearing, the member of staff may request that the hearing be postponed to another reasonable time and must offer a date which is not normally later than five working days after the date first proposed for the hearing. The representative may attend the hearing with the member of staff and may speak on the member of staff's behalf, but that representative may not answer questions (relating to the issues in dispute) on the member of staff's behalf.

Investigations

14. No disciplinary action will be taken against a member of staff until the case has been investigated by the Head of School or Professional Service or his or her nominated representative, as appropriate.

Suspension

15. The Head of School/Professional Service or his or her nominated representative, having taken advice from a member of Human Resources, may, as a precautionary measure where this is considered appropriate and in the best interests of the University or of its students or staff, suspend a member of staff from duty at the normal rate of pay pending the outcome of a report or hearing. Any suspension and its terms shall be confirmed to the member of staff in writing by the Director of Human Resources or his or her nominee and is not considered a sanction or punishment.

Grievances

16. Any grievance which raises issues which are the subject of proceedings under this Procedure shall not be considered under the Grievance Procedure, but should be raised through this Disciplinary Procedure. If the member of staff has concerns regarding the conduct of any investigation under paragraph 22 below, he or she should raise the matter as soon as possible with the person instituting the procedure (see paragraph 22).
PART IV
Overview of Disciplinary Procedures

Grounds for Disciplinary Action

17. Disciplinary action may be taken, and where found to be appropriate, a penalty imposed, in respect of the following:–

(i) conduct amounting to a criminal offence, whether or not there has been a prosecution and conviction, of a kind that is judged in all the circumstances to be relevant to the member of staff’s employment by the University;

(ii) failure, refusal or neglect to perform some or all of the duties or to comply with some or all of the conditions attaching to the post; or failure, refusal or neglect to perform these duties or to comply with those conditions in a satisfactory or adequate manner;

(iii) conduct by the member of staff that is judged to be inappropriate or unacceptable in view of his or her post.

Informal Action

18. Prior to the institution of formal procedures under this Procedure, it may be appropriate to deal with concerns about standards of conduct through informal methods without being considered a sanction or punishment. If such informal methods do not lead to an acceptable standard of conduct, formal action may be taken. However, for the avoidance of doubt, in order to institute formal proceedings it is not necessary to precede this by informal action.

19. The informal approach is aimed at: bringing concerns to the attention of the member of staff; ensuring that the member of staff is aware of the conduct expected; considering causes; and exploring possible solutions and actions to be taken. The line manager shall meet with the member of staff to discuss the matters and identify a suitable way forward. Possible ways forward may include:–

(i) increased supervision, counselling and/or mentoring by an appropriate person;

(ii) considering the use of the University’s mediation service;

(iii) reviewing the duties, responsibilities, reporting line, career pathway capability standards or other aspects of the post;

(iv) providing appropriate training or development opportunities;

(v) seeking advice through a referral to the Occupational Health Service (where the member of staff’s health appears to be a contributory cause);

(vi) informing the member of staff of other available support services as appropriate, such as the University Counselling Service.

20. The manager should take a note of the discussion and, if required, outline in writing to the member of staff: the main points discussed; future expectations of appropriate conduct; the support or training to be given; over what period and when reviews would occur; and potential consequences of failure to maintain appropriate levels of conduct (which may include taking formal action under this Procedure). Further discussions may be held to review progress in accordance with the targets and expectations outlined. This may include reviewing and revising the support or training required.

Formal Action

21. Where a member of staff is considered to have breached the University’s standards of conduct, formal action may be taken under this Procedure as follows:–

(i) a preliminary investigation, followed by:

(ii) either:–

(a) the Procedure for Dealing with Less Serious Matters (part VI below); or

(b) the Procedure for Dealing with More Serious Matters and Gross Misconduct (Part VII below).
Institution of procedures

22. The procedures referred to in paragraph 21 above shall normally be instituted by the next level manager; and any reference in this Procedure to an ‘Initiator’ shall be construed as a reference to a person who institutes the procedures referred to above.

Preliminary Investigation

23. Before making a decision whether to take further action under this Part, the person instituting the procedure under paragraph 22 (the ‘Initiator’) shall carry out such investigation into the alleged misconduct as is appropriate in the circumstances. The Initiator may appoint an appropriate person (the ‘Investigator’) to conduct an investigation and shall inform the member of staff that an investigation is to take place. The Investigator shall gather such information as may be required and shall, normally within fifteen working days of his or her appointment, prepare a report detailing the findings of his or her investigation (the ‘Investigation Report’). The investigation may be extended if necessary and where this occurs the member of staff shall be advised accordingly.

Preliminary determination

24. The Investigation Report, if commissioned, shall be submitted to the Initiator. The Initiator shall make a preliminary determination, normally within three working days, taking into account advice from Human Resources, as to whether

(a) no further action should be taken;
(b) the matter should be dealt with informally;
(c) under the Procedure for Dealing with Less Serious Matters (Part V below),
(d) the Procedure for Dealing with More Serious Matters and Gross Misconduct (Part VII below) or
(e) under another Procedure such as the Capability Procedure. The Initiator’s preliminary determination is entirely at his or her discretion, but the Initiator shall have regard to the nature and seriousness of the matters under investigation and may seek such advice as he or she deems appropriate.

25. If the Initiator determines that the matter shall be dealt with under the Procedure for Dealing with More Serious Matters and Gross Misconduct, the Initiator shall bring this to the attention of the Head of School/ Professional Service or his or her nominated representative.

26. If the Initiator determines that the matter shall be dealt with informally the relevant line manager should be instructed to put appropriate arrangements in place in accordance with this Procedure.

Less serious matters

27. Issues of alleged misconduct shall normally be dealt with under the Procedure for Dealing with Less Serious Matters in Part V of this Procedure if it is considered that the allegation(s) of misconduct are such that if upheld, a sanction consisting of a warning (whether First-Level Warning or Second-Level Warning) would be appropriate.

28. Non-exhaustive examples of less serious matters could include: unsatisfactory timekeeping; unauthorised absence; a minor breach of one of the University’s procedures or policies; failure to carry out a reasonable instruction; misuse of the Internet, email or other University facilities; misuse of University facilities, premises, property or equipment; or such other conduct where the appropriate sanction is likely to be a warning (whether First-Level or Second-Level).

More serious matters

29. Issues of alleged more serious misconduct or gross misconduct shall normally be dealt with under the Procedure for Dealing with More Serious Matters and Gross Misconduct in Part VII of this Procedure if there has been repeated misconduct, if there is an unexpired warning on the member of staff’s file at the date of the alleged misconduct, or if it is considered that the alleged misconduct is such that, if proven, a sanction other than or in addition to a warning may be appropriate such as:-

(i) dismissal (whether with or without notice);
(ii) in exceptional circumstances, reasonable reimbursement in respect of damage to University or individual property;

(iii) withholding a forthcoming increment in salary;

(iv) other action short of dismissal (the panel may offer the member of staff regrading or demotion where this is considered to be appropriate in all the circumstances).

30. Non-exhaustive examples of more serious misconduct (which may amount to gross misconduct) could include: disclosure of confidential information without authorisation; a persistent refusal to carry out a reasonable instruction without adequate cause; wilful disregard to University or departmental working practices where these are reasonably and properly required; serious infringement of health and safety rules; wilful damage to University facilities, premises, property or equipment; discrimination against a member of staff, student or visitor of the University on the grounds of race, sex, age, disability, sexual orientation, religion or belief; physical violence, threatening or inappropriate behaviour towards a member of staff, student or visitor of the University; any form of bullying, intimidation or harassment; inappropriate conduct in relation to a child, young person or vulnerable adult; theft, including fraud or falsification offences; a serious breach of one of the University’s procedures; supporting fraud or plagiarism in connection with academic research, other examples of research misconduct or failure to comply with the University’s Research Ethics policy; breach of the University policy on substance misuse; conduct that may constitute a criminal offence relevant to the member of staff’s employment; serious misuse of the Internet, email or other University facilities and misuse of the University’s name or bringing the University into disrepute.

31. No member of staff shall be dismissed for a first instance of misconduct unless that instance of misconduct constitutes gross misconduct.
PART V

Procedure for Dealing with Less Serious Matters (Disciplinary Warnings)

Disciplinary hearing

32. Where disciplinary proceedings are to be instituted against a member of staff under this Part, the member of staff shall be informed in writing of the nature of the alleged misconduct and requested to attend a disciplinary hearing at which the issue shall be considered. The member of staff will have a full opportunity to respond to the allegations against him or her and shall be asked to present any additional information in support of his or her case, to indicate whether he or she admits the alleged misconduct in whole or in part and to provide any grounds of mitigation which he or she feels relevant. The member of staff shall normally receive at least five working days' notice of the disciplinary hearing, and shall be given a copy of this Procedure and reminded of his or her right to be represented or accompanied in accordance with the provisions of paragraph 10 above.

33. The disciplinary hearing will usually be conducted by the Initiator.

34. A member of Human Resources, appointed by the Director of Human Resources or his or her nominee, may be present at a hearing in an advisory capacity. This is discretionary and at the request of the Initiator.

35. The member of staff shall be provided in advance of the disciplinary hearing with copies of any evidence to be considered at the disciplinary hearing, including the Investigation Report and (where applicable and subject to the provisions of paragraph 11 above) the names of any witnesses from whom it is intended that evidence will be considered at the disciplinary hearing and if appropriate any statements obtained from those witnesses.

36. The member of staff shall indicate, normally at least two working days prior to the hearing, the nature of any evidence that he or she intends to present in his or her defence or mitigation, including the names of any witnesses and their relevance to the allegations of misconduct and shall provide copies of any documents to which he or she intends to refer.

37. The member of staff shall have the right to be represented or accompanied at the disciplinary hearing in accordance with the provisions of paragraph 12 above.

38. If the member of staff is or becomes unable to attend the hearing, he or she should notify the person who is due to conduct the hearing as soon as possible, giving the reasons for the non-attendance. A member of staff who fails to attend a hearing without good cause shall be informed that if he or she fails to attend any rearranged hearing without good cause, the matter may be considered in his or her absence. It is expected that the hearing will be conducted without unreasonable delay.

Procedure at hearing

39. The procedure to be followed at the disciplinary hearing shall be at the discretion of the person conducting the hearing, which may include without limitation:

(i) the allegation(s) of misconduct being put to the member of staff, including if relevant the calling of any witnesses;

(ii) the member of staff having the opportunity to raise questions of any witnesses called. The manner in which such questions are to be raised is at the discretion of the person conducting the hearing;

(iii) the member of staff having the opportunity to set out his or her case in response to the allegation(s) of misconduct and to call any relevant witnesses;

(iv) the questioning of any witnesses called by the member of staff;

(v) the power to postpone or adjourn the hearing;

(vi) the power to continue the hearing in the absence of a party, witness or representative where, in the opinion of the person conducting the hearing, no good cause has been put forward for an adjournment.

40. Where it is concluded that the member of staff has committed any act of misconduct, a formal warning may be issued. The warning may be a First-Level Warning or Second-Level Warning, as is considered appropriate having regard to the gravity of the misconduct and any previous unspent disciplinary record. For
the avoidance of doubt, a member of staff may be issued with a Second-Level Warning even though he or she has not previously received any First-Level Warning under this Part.

**Notification of decision**

41. Following the disciplinary hearing, the member of staff shall be notified in writing by the Initiator, normally within five working days:-

(i) of the outcome of the hearing;

(ii) of any disciplinary warning issued and the misconduct which has led to the warning being issued, and whether the warning is a First-Level Warning or a Second-Level Warning;

(iii) of the required improvement in conduct and, if appropriate, of specific arrangements which are to be made to assist or facilitate the required improvement;

(iv) of the timescale within which this improvement must be achieved and how the improvement will be monitored or reviewed;

(v) of his or her right to appeal under Part VI and how that right should be exercised;

(vi) in the case of a First-Level Warning:-

(a) that the warning will be retained on his or her file and will be regarded as spent after between 6 months and one year subject to satisfactory conduct and/or performance;

(b) that further instances of misconduct may lead either to further disciplinary action being taken under this Part or, in the event of more serious misconduct, to the Procedure for Dealing with More Serious Matters and Gross Misconduct under Part VII being instituted (under which a Disciplinary Panel may determine that the member of staff shall be dismissed);

(vii) in the case of a Second-Level Warning:-

(a) that the warning will be retained on his or her file and will be regarded as spent after between one year and two years subject to satisfactory conduct and/or performance;

Where the Appellant indicates to the Appeal Panel that he or she does not wish to exercise his or her right to be heard or fails to attend or leaves the Appeal Hearing or any postponement or adjournment of the Appeal Hearing without good cause, the Appeal Panel shall be entitled to proceed in the Appellant’s absence.
