PART I

Introduction and Definitions

1. The University’s policy is to provide, as far as possible, security of employment through careful strategic planning of its future staff requirements, including any reasonable consequential staff development needs. It is the aim of the University, agreed with its recognised Trade Unions, to prevent situations arising which threaten job security.

2. Every reasonable effort will be made to avoid redundancy situations arising and to avoid making individual members of staff compulsorily redundant. University management, in consultation with the University’s recognised Trade Unions, will seek to minimise the effect of redundancies through the provision of support to assist in finding alternative employment for redundant staff.

3. This procedure sets out procedures for dismissing members of staff on the grounds of redundancy and for handling appeals against such dismissals.

4. In this procedure, a member of staff shall be deemed to be dismissed by reason of redundancy if the dismissal is wholly or mainly attributable to–

(a) the fact that the University has ceased or intends to cease–

(i) to carry on the business for the purposes of which the member of staff was employed by the University, or

(ii) to carry on that business in the place where the member of staff was so employed, or

(b) the fact that the requirements of that business–

(i) for members of staff to carry out work of a particular kind, or

(ii) for members of staff to carry out work of a particular kind in the place where the member of staff was employed by the University, have ceased or diminished or are expected to cease or diminish.

5. In this procedure, unless the context indicates otherwise, in relation to any decision or action that the University is required to make or to perform under this procedure, ‘the University’ shall mean: any member of staff who usually makes such decisions or performs such actions on behalf of the University, or who in the normal course of events may reasonably be expected to do so.

6. References to Heads of School shall be construed so as to include references to Heads of Professional Services or other equivalent units (and vice versa), and where there is no Head of School, Professional Service or equivalent unit, the Vice–Chancellor or his or her nominated representative may appoint a member of staff from such School, Professional Service or equivalent unit to undertake the duties required of a Head of School or Professional Service by this procedure.
PART II

Application and Scope

7. This procedure applies to members of staff with a grade of Level 3 or below in the University's grading structure or an equivalent grade.

8. This procedure shall not apply to:

(i) the proposed dismissal of a member of staff where that dismissal would arise from the expiry without renewal of a fixed-term contract; and

(ii) the proposed non-confirmation in post of a member of staff during or at the end of a period of probationary service.

9. This procedure acknowledges that the proposed dismissal of a member of staff by reason of redundancy:

(i) may or may not be required to be the subject of prior consultation with appropriate representatives under Section 188 Trade Union and Labour Relations (Consolidation) Act 1992 (“TULRCA”); and

(ii) may or may not be required to be implemented by the application of selection criteria to affected members of staff of a certain description or category and/or within a specific school, faculty or other appropriate unit.

10. Nothing in this procedure shall preclude:

(i) the University from seeking volunteers for redundancy or exploring opportunities for early retirement;

(ii) any member of staff from agreeing to voluntary severance;

at any time before or after a determination by the decision making body (refer to 15 for decision making body).
PART III

General Principles

Confidentiality

11. Throughout any proceedings under this procedure, the University shall seek to ensure that confidentiality is maintained. However, this shall not preclude the University from disclosing information where necessary for the discharge of duties or as required by law, nor shall this preclude the University, where appropriate, from disclosing information about any outcome under this procedure.

Right to be accompanied

12. At any consultation meeting convened under this procedure, after determination at Stage 2, the member of staff may be represented or accompanied by a workplace colleague or trade union representative.

13. If the member of staff's representative is not available at the time proposed for the consultation meeting, the member of staff may request that the meeting be postponed to another reasonable time, being not later than five working days after the date first proposed for the meeting. A representative may attend the consultation meeting with the member of staff and may speak on the member of staff's behalf but may not answer questions (relating to the issues) on the member of staff's behalf.
PART IV

Procedure

STAGE 1 – THE PRELIMINARY STAGE

Preliminary consultation

14. Prior to any request for a determination in respect of the proposed dismissal of a member or members of staff by reason of redundancy under Stage 2 below, the proposed redundancy or redundancies shall be notified to the member(s) of staff at risk of dismissal, and there shall be consultation with appropriate trade union and/or other representatives of the member(s) of staff in respect of that proposal and they shall be given the opportunity within an identified period of time to make written representations. Such representations may include, without limitation, suggestions as to how the proposed redundancies could be avoided or their numbers reduced.

15. A proposal to dismiss a member or members of staff by reason of redundancy shall be notified to the relevant Determination Body, which shall be: either Council (if the redundancies include staff at levels 4 and above) or the relevant Dean or the Registrar and Chief Operating Officer (in all other cases) on behalf of UEG.

Notification to the Determination Body

16. The notification to the Determination Body may include the following information, as appropriate to the circumstances:–

(i) an outline of the relationship with the strategic plan of the affected unit(s);
(ii) an analysis of financial considerations;
(iii) the reasons for any discontinuation or reduction of activity;
(iv) an identification and analysis of the organisational or structural options and ways of avoiding compulsory redundancies;
(v) an identification and analysis of the alternatives to redundancy
(vi) vi. the total number of redundancies proposed and the timescale;
(vii) vii. the extent to which discussions with the member(s) of staff vulnerable to redundancy have also been initiated or completed as part of Stage 1;
(viii) an analysis of the impact of the proposed redundancies on activities within the unit and in other units within the University including consideration of the impact on the workload of remaining staff;
(ix) an analysis of the impact of the proposed redundancies on equality;
(x) whether selection criteria will be applied in relation to some or all of the proposed redundancies;
(xi) whether, given the number and proposed timescale for proposed redundancies (and taking account, as appropriate, of the proposed dismissal by redundancy of any other members of staff whether or not they come under the scope of the procedure), it is necessary to consult appropriate representatives of the affected members of staff under Section 188 TULRCA 1992 and, if so, the extent to which necessary consultations have been initiated or completed; and
(xii) the extent to which discussions with the member(s) of staff at risk of redundancy have also been initiated or completed.

STAGE 2 – DETERMINATION

17. The Determination Body shall determine, in the light of the information received, whether the circumstances are such that the procedures in Stages 3 to 6 of this procedure should be instituted to effect some or all of the proposed redundancies. As part of such determination, and before reaching a final decision, further information may be sought as required, including further consultation with appropriate representatives and/or discussion with the affected member(s) of staff.
STAGE 3 – CONSULTATION WITH AFFECTED STAFF

18. This Stage shall apply where a determination has been made under Stage 2 above that Stages 3 to 6 of this procedure shall be instituted in respect of any proposed redundancy or redundancies.

19. At any consultation meeting under Stages 3 to 6 of this Part, the member of staff shall have the right to be represented or accompanied by a workplace colleague or trade union representative.

20. The affected staff shall each be notified in writing by a representative of Human Resources:-

(i) that a determination has been reached and that the procedures in Stages 3 to 6 of this procedure shall be instituted;

(ii) of the number of proposed redundancies to be effected as a result of that determination;

(iii) of the school, faculty or other unit and/or (as appropriate) the categories or descriptions of staff affected by that determination;

(iv) that he or she is employed in a school, faculty or other unit, and/or (as appropriate) falls within a category or description of staff affected by that determination;

(v) that accordingly he or she is potentially at risk of dismissal by reason of redundancy under this procedure;

(vi) that he or she will be consulted individually before any decision to dismiss him or her by reason of redundancy is taken and that he or she has the right to appeal such decision.
STAGE 4 – SELECTION FOR REDUNDANCY

(a) Procedure where selection criteria are to be applied

21. Where selection criteria are to be applied, a Redundancy Selection Panel shall be convened by the Director of Human Resources and shall consist of: a Head of School or Professional Service (not from the affected School or Professional Service) or his/her representative and a Senior Manager from the School or Professional Service affected. The Redundancy Selection Panel shall draw up selection criteria with advice from Human Resources and shall consult with the trade union and/or affected staff as appropriate with regard to the selection criteria to be applied.

22. Each member of staff in a pool of affected staff in respect of whom selection criteria are to be applied shall be notified in writing (either separately or in the written notification under paragraph 20 of:-

(i) the relevant pool of affected staff;

(ii) the total number of staff employed in that pool of affected staff;

(iii) the total number of staff it is proposed to make redundant from that pool;

(iv) the selection criteria to be used to determine which members of staff within the affected pool are to be dismissed by reason of redundancy;

(v) the members of the Redundancy Selection Panel, who will carry out the assessment of affected staff against the selection criteria;

(vi) when the assessment of affected staff against those criteria will take place;

23. The members of the Redundancy Selection Panel will carry out the assessment of affected staff against the selection criteria.

24. After all members of staff within the relevant pool of affected staff have been assessed against the selection criteria, those members of staff provisionally selected for redundancy will be notified of that fact in writing, and informed that as a result their employment may be terminated on grounds of redundancy. The members of staff shall be invited to a meeting in accordance with paragraph 26 and shall be provided in advance of that meeting with written details of their assessment against the selection criteria.

25. Those members of staff within the relevant pool of affected staff not provisionally selected for redundancy shall be advised in writing that, although not provisionally selected at this stage, that position could change as a result of meetings with or appeals by provisionally selected members of staff under this procedure, in which case they shall have the same rights to consultation and appeal as those provisionally selected under paragraph 24.

26. Each provisionally selected member of staff shall be invited to a meeting with a representative of Human Resources and their Head of School or Professional Service or his or her nominee. At the meeting the application of the selection criteria to that member of staff shall be explained and the member of staff shall have the opportunity to make oral or written representations in respect of that assessment, and in respect to any proposal that as a result of the provisional selection, their employment may be terminated on grounds of redundancy. Where necessary, a further meeting or meetings may be arranged to discuss any such representations and respond to them. Such meeting(s) may, if appropriate, include a discussion of the alternatives to dismissal including opportunities for redeployment.

27. The member of staff shall be informed in writing of any changes to his or her assessment against the selection criteria made as a result of the representations referred to in the meeting(s) under paragraph 26 above.

(b) Procedure where selection criteria not required

28. Selection criteria are not required where a redundancy or redundancies are proposed in relation to: a unique post, all posts within a particular entity or group, or all posts of a particular description or category. In such cases, each member of staff shall be notified in writing (either separately or in the written notification under paragraph 20 above) of the reasons for his or her proposed dismissal and shall be invited to a meeting with their Head of School or Professional Service (or his or her nominee) at which the member of staff may make oral or written representations in response to that proposal. Where necessary, a further meeting or
meetings shall be arranged to discuss any such representations and respond to them. Such meeting(s) may, if appropriate, include a discussion of the alternatives to dismissal, including opportunities for redeployment.
STAGE 5 - REDUNDANCY COMMITTEE

29. In the case of proposed closure of a whole School, academic discipline or professional service, a Redundancy Committee of the Council or UEG ('Redundancy Committee') shall be convened by the Vice-Chancellor or his or her nominated representative.

STAGE 6 - CONFIRMATION OF DECISION

30. Following the meetings referred to in paragraphs 26 or 28 above and, in cases where paragraph 29 applies, following a review by the Redundancy Committee of the proposed decision to dismiss, a representative of Human Resources shall write to the member(s) of staff to notify them of the outcome of the meetings.

31. Where the outcome referred to in paragraph 30 above is that selection for redundancy of the member(s) of staff is confirmed, the Director of Human Resources or his or her nominated representative shall inform the member(s) of staff that his or her employment is being terminated by reason of redundancy and give appropriate notice of such termination. The member(s) of staff will be informed of his or her right to appeal that dismissal under Part 5 below, and of any applicable time limits for the making of such an appeal.

37. No later than ten working days before the Appeal Panel Hearing the Appellant shall be notified by the Secretary to the Appeal Panel of:-

(i) the date, time and place of the Appeal Hearing;

39. At least three working days before the Appeal Hearing, the name and the address of the Appellant's representative must be notified in writing to the Secretary to the Appeal Panel.

40. The Appellant shall take all reasonable steps to attend the Appeal Hearing and/or any adjournment or postponement of the Appeal Hearing. Where the Appellant indicates to the Appeal Panel that he or she does not wish to exercise his or her right to be heard or fails to attend or leaves the Appeal Hearing or any postponement or adjournment of the Appeal Hearing without good cause, the Appeal Panel shall be entitled to proceed in the Appellant's absence.

41. The procedure to be followed in preparation for and at the Appeal Hearing shall be at the discretion of the Appeal Panel, which may include without limitation:-

(i) determining which documents (if any) shall be provided for the Appeal Panel's consideration and at what stage;

(ii) deciding whether it would be appropriate to adjourn or postpone the Appeal Hearing.

42. The Appeal Panel shall notify the Appellant in writing of the reasons for its decision, normally within ten working days of the Appeal Hearing. A report of the decision will also be sent to the Head of School or Professional Service. The Appeal Panel may:-

(i) uphold the decision;

(ii) overturn the decision; or

(iii) remit the matter for further consideration by the person or body whose decision is being appealed; or

(iv) make any further recommendations as appropriate.

43. The decision of the Appeal Panel shall be final.
44. Any dismissal under this procedure shall remain in force pending the outcome of an appeal. If the decision to dismiss is overturned, continuity of employment shall be restored.
